Acknowledgment

I wish to express my sincere gratitude and appreciation to all who supervised this thesis.

Great appreciation and deep thanks to ***Prof. Dr. Shamel Abd. Alla Ali*** Professor of general surgery, Faculty of medicine, Ain Shams University for his kind encouragement, advice and support during this study.

I am also deeply grateful to ***Prof. Dr Alaa El Din Ismail*** Professor of general surgery, Faculty of medicine, Ain Shams University for his kind recommendation and his direct supervision during this work.

My deepest appreciation and grateful thanks are to ***Prof . Dr. Omar Hussein Omar*** Professor of Radiodiagnosis, Faculty of medicine, Ain Shams University for his sincere help and encouragement throughout the course of this work .

No works can figure my deepest gratitude to ***Dr. Mahamoud El Metieni*** lecturer of general surgery, Faculty of medicine, Ain Shams University for his great cooperation and faithful advice during this work .

Last but not least my great appreciation and thanks to my parents for their great support and guidance all through my life .

Usama Fouad
